## Handcrafted in Italy

Diva ® is a luxury eyewear collection started by Antonio Coffen's creative mind and exceptional design skills back in 1982.

The Diva collection captures the ultimate beauty and elegance to create luxury handmade pieces into eyewear.

The products are manufactured by IOVES in Cadore Area (ITALY), heart and soul of one of the longest eyewear traditions carried on for over a century.

Heir to the sector's finest traditions, we combine Italian excellence into the creations, where skilled craftsmanship, design harmony and refined materials are blended together to create Diva ® frames.

The Diva ® collection goes through a series of 16 quality checks, including technical, mechanical and visual inspections, meticulously carried out by specialized personnel.

Thanks to the highest quality materials, renown elegance and timeless look, Diva ® historic models have become cult objects for vintage enthusiasts and collectors across the globe.
